

Amendments to

National Electrical Code, NFPA 70, 2023 Edition

The following provisions of the National Electrical Code, NFPA 70, 2023 Edition, as published by the National Fire Protection Agency are hereby revised as follows:

Chapter 2

Wiring and Protection

Article 210.12. Arc-Fault Circuit Interrupter Protection.

(C) Dormitory Units

Revise as follows:

Add,

“Exception. AFCI protection not required if project is built to the University of Arizona Design Standards and Specifications”
